

# Don't know what to do with your camping gear? Why not ship it ahead of time!!

Whether your hoteling it to Southeastern Wisconsin  
for the 100<sup>th</sup> Anniversary or just don't want to carry all that stuff along the way, why not ship it ahead of time.  
Take the worries out of your ride here!!!

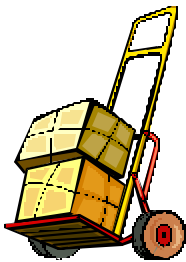

ABATE of Washington County will store your gear in a safe & secure location until you arrive. We will  
transport your gear to the campground on Wednesday morning August 27, 2003. It will be held at this  
location, safe & secure until you claim it with a matching driver's license. Shipping is not available directly to  
the campground as it has no mailing address.

You will need to fill out the information below, pay your shipper, then provide your tracking or shipping # to  
us and mail this form along with a check for \$20.00 US (ABATE handling charge) per parcel.

There will be shipping available at the campground to take care of the return home.

Here's the information you will need to ship your gear to the Washington County ABATE Campground.
