### Proof of Class Enrollment

If your goal is to have the "M" (motorcycle) endorsement on your Drivers' License, you will have to go to the Wisconsin Division of Motor Vehicles (DMV) to take the written test for the **Instructional Permit**. You can do this before or after taking our class. If you wait until after you have passed our class, you can get both your permit and your "M" endorsement in one trip to the DMV. **A permit is not required prior to taking the course.**

**If you are under age 18 or have held 2 prior permits**, you will have to show the DMV "Proof of Enrollment" in a class such as ours before the permit will be issued. A **Proof of Enrollment form** can be sent to you along with your receipt, after we receive your paid registration. **If you need this form prior to your class, please check the box here**
